

Pope Francis – The Face of Love, Mercy and Compassion

I will miss His Holiness Pope Francis! In him I saw Jesus. In him I saw God. In him, I saw Divine Mercy.

The message of the gospel was the heart of Pope Francis marked by love, mercy and compassion. His heart was filled with the message of pastoral mercy. He proclaimed a gospel of integration and not condemnation: “No one can be condemned for ever” (AL 297). His papacy was marked by openness and humility. He has left a legacy for us to follow and a responsibility to be witness to what he has been and done. May he continue to guide us through his example and teaching. Dear Holy Father, please continue to bless us and pray for us. I am assured now that you will see my mother in heaven.
