

The PAV Participates in the Conference “Perspectives on End-of-Life Issues”

On Tuesday, 9 December 2025, Father Riccardo Mensuali will participate in the conference Perspectives on End-of-Life Issues, organised by the Union of Catholic Jurists in Rome. The event will take place in the “Giorgio Fregosi” Council Chamber at Palazzo Valentini.

This gathering offers an important opportunity to reflect on the legislative initiatives currently in progress, featuring insights from prominent figures in government, law, and healthcare. It will also include a discussion on the role of the Pontifical Academy for Life in shaping approaches to end-of-life matters.
